TEST UPDATES and ANNOUNCEMENTS

September 28, 2010

Dear Colleague:

Pathology, Inc. is pleased to announce the availability of **microbiology testing**. Our comprehensive test menu includes a microbial analysis service that complements our anatomic pathology and molecular offerings. Our broad range of microbiology testing incorporates the identification of infectious agents for women's health, urology, and other medical diseases and infections.

A complete **MICROBIOLOGY MENU and COLLECTION INSTRUCTION SHEET** is attached for your convenience.

Highlights of the Microbiology Offering

- Urinalysis
- Urine Cultures
- Genital Cultures
- *Mycoplasma/Ureaplasma*
- Wound Cultures
- Respiratory Cultures
- Eye & Ear Cultures
- MRSA
- Environmental Cultures

Our experienced microbiology staff is committed to providing diagnostic solutions for you and your patients. As with all of our testing, Pathology, Inc. provides rapid turnaround time and consultative services.

We thank you for choosing Pathology, Inc. and look forward to your continued support. For additional information please visit our website at www.pathologyinc.com or contact client services at 877-922-7284.

Sincerely yours,

Alfred Lui, M.D.
Chief Medical Officer
